

# INFORMATION FOR THE CONSUMER

## APO-ACETAMINOPHEN

### Acetaminophen Tablets/Caplets USP

Do not use in children under 12 years of age. Do not take this product if allergic to acetaminophen. If rash or itching occur, consult a doctor.

As with any other pain medicine, consult a doctor before use:

- with other products containing acetaminophen, salicylates or any other pain or fever medicine
- in persons with serious kidney or liver disease
- if you are pregnant or nursing a baby. Chronic heavy alcohol users may be at increased risk of liver damage when taking more than the recommended dose of acetaminophen.

### Emergency Management of Overdose:

In the case of accidental overdose, even if there are no symptoms, contact a doctor or Poison Control Centre immediately. Emergency numbers can be found in the telephone directory.
